

*What is Love?*

*Love is not a game,  
To be played.  
Love is sharing,  
Love is giving,  
Love is what gives,  
Life a meaning.*

*Love is not a word,  
To be expressed.  
Love is kind,  
And sometimes mad,  
Love is what brings,  
Peace of mind.*

*Love is not a toy,  
To be destroyed.  
Love is caring,  
Love is joy,  
Love is what shows,  
True feeling.*

*Love is not a tool,  
To be used,  
Love is laughter,  
And sometimes tears,  
Love is what talks,  
Through silence.*

*Love is not what,  
To be betrayed,  
Love is hope,  
Love is life,  
Love is what makes,  
You and me one soul...*
